

Child Death Investigation: Detection, Autopsy and Prosecution

The 2017 GBI Child Fatality Review child death investigation training, will focus on the child death autopsy and subsequent findings, how to conduct an investigation and statutes used to prosecute offenders. We will also highlight why our children in Georgia are dying and provide specific data as it relates to child fatalities.

This training is FREE and is open to law enforcement, coroners, prosecutors, and those who investigate child abuse and maltreatment related deaths.

There are 3 available dates listed below.

March 17, 2017- Atlanta- Prosecuting Attorney's Council of Georgia (PAC), 1590 Adamson Parkway, 4th Floor Conference Room AB, Morrow GA 30260

April 11, 2017- Augusta- Alumni Center, 919 15th Street, Augusta, GA 30909

April 26, 2017- Savannah- Savannah Marriott Riverfront, 100 General McIntosh Blvd, Savannah, GA 31401
